**TAKING EDUCATION TO THE PEOPLE**

# Pre Entry to Tertiary Education

**TAKING EDUCATION TO THE PEOPLE**

This is a special programme, necessitated by the trend that current science and technology related programmes at institutions of higher learning indicate low admission. This is in relation to gender and the least advantaged groups. The PETE programme was thus introduced to address the mismatch and bridge the gap between exit skills at secondary level and the required entry skills at the higher education level.

## Admission requirements

Candidates are required to submit their applications at NAMCOL's regional and sub-regional offices. The selection process will involve preliminary screening of applications.

### Candidates who wish to apply for this programme must:

- have at least an E symbol in the four target subjects for OL;
- a C symbol in order to qualify for AS;
- be prepared to write an aptitude test.

## Application procedures

Prospective candidates can collect an application form at NAMCOL's regional and sub-regional offices.

## Documents Required

Please submit certified copies of the following documents with your PETE application:

- Grade 11 and AS certificate of the most recent examination you sat.
- Identity document card/full birth certificate

## PETE FEES

<b>APPLICATION FEE</b>	- N\$160.00
<b>REGISTRATION FEE</b>	- N\$800.00 (INCLUSIVE OF A DATA PACKAGE)
<b>SUBJECT FEE</b>	- N\$430.00 PER SUBJECT

## Programme Delivery

- NAMCOL Head Office (Jetu Jama Centre, Katutura)
